To whom it may concern

I recommend Lila Price as a candidate for an Art teacher position at your school. As an Art teacher of Mount Waverley Secondary College, I have had the pleasure of working with Lila in Semester two of 2017. Lila taught Year 11 Studio Art, Year 10 Visual Communication, Year 8 Art and also took a Homegroup.

Lila is a capable teacher who develops solid relationships with her students and her colleagues. With her positive attitude and easy manner, she seamlessly became part of the college community in a very short time. Lila is a very knowledgeable Art teacher and is able to effectively communicate practical and theoretical skills with students of differing educational needs. She has developed a good rapport with students and has been influential in improving student attitude to learning.

Lila has been involved in sharing classes, following school curriculum and cross marking senior folios and SACs, in which communication and collaboration are key. She is friendly and helpful to students and colleagues alike.

If you have any further questions, please do not hesitate to contact me.

Sincerely

Lynette Spiller
